Breaking In: Product Design - Amina Horozic on ... Published at the beginning of the summerâ€”just in time for freshly minted design grads to take note but relevant for just about any designer these daysâ€” Breaking In: Product Design (Tuk Tuk Press, 2014) by Amina Horozic offers dozens of insights into today's highly competitive job market. Featuring interviews with over 100 designers from across the industry and around the globe, the book is. Breaking Down the Industrial Design Process: Defining a ... Before any design work can begin on a product, there must first be a definition of what the product or product line might be. This definitionâ€™s genesis can be consumer demand driven, trends and fashion, competitor products, retail buyer advice, continuation of an existing successful line or company brand strategy, or even based on a really cool and unique invention or idea. Breaking rules in your product design process - InVision Blog Product teams need to figure out when to break the rules in their pursuit of building better products. We invited Dom Goodrum, VP of Design at Percolate, to give us a DesignTalk on 5 practices his team uses to evolve their product design process. Watch Domâ€™s full talk below, or read on for our short recap.
