Brazilian cuisine - Wikipedia Brazilian cuisine is the set of cooking practices and traditions of Brazil, and is characterized by African, Amerindian, Asian (mostly Japanese) and European influences. It varies greatly by region, reflecting the country's mix of native and immigrant populations, and its continental size as well. Culture of Brazil - Wikipedia The culture of Brazil is primarily Western, but presents a very diverse nature showing that an ethnic and cultural mixing occurred in the colonial period involving mostly Indigenous peoples of the coastal and most accessible riverine areas, Portuguese people and African people. Brazil Cuisine - brazil.org.za The cuisine of a nation is determined largely by the societies, customs and traditions within that culture as well as by accessibility and availability to certain foods and ingredients. Because Brazil is such a melting pot of colours, languages and customs, its cuisine is similarly varied.

Brazilian Food - Just As Exotic As Its Culture Brazilian BBQ is a must if you are one of the many people who enjoy exploring the foods of various cultures. The Brazilian barbeque began hundreds of years ago in the Rio Grande do Sul region of Brazil. The Gauchos, also known as cowboys, developed the Churrasco, another name for Brazilian BBQ. The Best Brazilian National Dishes And Where To Find Them Brazilian seafood is as diverse as the country's mammoth coast line suggests, and each region along this huge stretch of shore has its own particular take on the fruits of the sea. The moqueca is perhaps Brazil's signature national seafood dish, and is the counterpart to the more meaty feijoada. It is also an Afro-Brazilian inspired dish, which brings flavors and techniques from the West African region and combines them with typically South American culinary styles. Brazilian Food Culture - Outward On The food of Brazil is an interesting mix of cultures that have come together to create the modern Brazilian food culture. The original indigenous peoples of Brazil, the Portuguese, and the African slaves, brought by the Portuguese, have all had a part in creating this cuisine. It is no secret that the Amazon rainforest is a bounty of species.
