Bread in Global History Timeline - tiki-toki.com Bread in Global History Timeline A timeline documenting the history of bread, researched and developed by students in History 360: Food in Global History at Concordia College, Moorhead, MN in fall semester of 2014. Bread: A Global History by William Rubel This slim but very interesting volume providing, as promised, a global history of bread. The pictures are fascinating, and the author does a great job of illuminating not just the bread of the elites, which was often the most refined and enriched, but also the bread of the poor throughout history. Bread: A Global History (Edible): William Rubel ... Bread: A Global History begins with ancient history in the fertile crescent of the Red Sea. The use of wild grains in bread-making probably predated agriculture and the domestication of animals. This book, which is the 24th in a series of edible histories, is ably edited by Andrew F. Smith.
