Break the bullying cycle - American Nurse Today Common bullying behaviors used by nurses include innuendo, verbal affront, undermining, withholding information, sabotage, infighting, scapegoating, backstabbing, failing to respect privacy, and breaking confidences. Amazon.com: Customer reviews: Breaking the Bullying Circle The book is thought provoking. I work with young children, and am sad to say that I sometimes see young children who are already starting to exhibit bullying characteristics. This book is a must for parents and teachers. The book really makes you stop to examine how you feel, and why the bullying might be happening. Amazon.com: Breaking the Bullying Circle eBook: Ron V ... An informative book which provides insight from different perspectives of bullying, children, parents and teachers. Author depicts day to day events that add perspective to what bullying can be and how to overcome it and break the downward cycle. GREAT read for parent, educators and children.
