Urban Dictionary: not brazil Popularised in the football song 'We're not brazil, we're northern ireland'. "My eyes have seen the glory of Espana 82 We're little northern ireland show the world what we can do With Laurie as our leader and we're coming after you And this is why we sing We're not brazil we're northern ireland We're not brazil we're northern ireland We're not. Brazil here. We're fucked. : ChapoTrapHouse - reddit.com We really didn't need another example of neolib's destroying the left and that leading to outright fascism, but I'm afraid we're about to get one. Edit: At least there is still actual grass roots resistance in Brazil that won't go down without a fight, but it's probably going to be ugly, whatever comes next. No stereotypes please - we're Brazilian - BBC Brand Brazil But behind the carefree exterior is a nation deeply concerned, perhaps even paranoid, about what outsiders think. As far as I was concerned, brand Brazil equalled laid-back cool - and here they were worrying about what the British, the Canadians or the Belgians might think of them.
